    class CADMesh_File_BuiltInReader["CADMesh::File::BuiltInReader"]
    class CADMesh_File_Reader["CADMesh::File::Reader"]
    CADMesh_File_BuiltInReader --|> CADMesh_File_Reader
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'CADMesh::File::BuiltInReader'. A blue arrow points upwards from this box to a white box at the top labeled 'CADMesh::File::Reader'. This indicates that 'CADMesh::File::BuiltInReader' inherits from 'CADMesh::File::Reader'.
