

OMSimDetectorComponent

```
classDiagram
    class OMSimPMTConstruction
    class OMSimDetectorComponent
    OMSimPMTConstruction --|> OMSimDetectorComponent
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'OMSimPMTConstruction'. A vertical blue line with an arrowhead at the top connects this box to a white box labeled 'OMSimDetectorComponent' positioned above it. This indicates that 'OMSimPMTConstruction' inherits from 'OMSimDetectorComponent'.
